

## Comparison: NC Innovations and CAP-MR/DD Waivers

In the transition from the CAP MR/DD to the Innovations Waiver the current approved PCP for each participant of the Comprehensive and Supports (CAP MR/DD) waiver will continue to be used until the next annual Individual Support Plan (ISP) development at the participant's birth month. All services currently used under the CAP waiver (or an equivalent service) are available in the NC Innovations waiver. **Changes noted for the CAP-MR/DD waiver are proposed changes and require approval from the federal Centers for Medicare and Medicaid Services (CMS). Proposed changes are posted for public comment at <http://www.ncdhhs.gov/dma/mpproposed/>**
